

Classes at Your School

at Bells Mill Elementary School

Class 9461 AROUND THE WORLD ADVENTURES **(Kindergarten through First Grade)**

In this creative drama class, students explore characters and storytelling through tales from many cultures and regions. Students learn how to use the actor's tools—body, voice, mind, and imagination—to journey through the African forest with Mufaro's beautiful daughters, outsmart the trickster Raven, and create beautiful paintings that come to life with Liang's magic paintbrush.

Class 9462 MAGIC TREEHOUSE ADVENTURES **(Second through Third Grade)**

In this creative drama class, the teacher will use the popular Magic Treehouse books as a creative springboard to help students develop and build their actors' tools of the mind, body, voice, and imagination. Please join us as we travel across the world in the Magic Treehouse and encounter some very interesting characters along the way!

Class 9463 FUNDAMENTALS OF ACTING **(Fourth through Fifth Grade)**

This acting class teaches students how to develop and build important acting 'ensemble' skills, active listening, creativity, and spontaneity. The focus is placed on helping students put in place a framework for creating believable and sustainable characters. Students learn to dissect simple scenes and to identify and establish character objectives, motivations, and obstacles. They also learn how to create believable relationships to people, places, and objects.

All classes are on Thursdays from 3:30 to 4:30

Classes run from 1/12-3/15 (10 weeks total with 3/22 and 3/29 as make-up days)

Tuition is \$155 per student
