

Bells Mill Elementary School: Welcome to Our Community!

The New Family Welcome Committee is looking for volunteers to serve as "Buddy Families" who will be paired with a new family joining the BMES community. We Need Your Help! What will you do?

- Reach out and welcome your new family!
- Be available to answer questions!
- Forward Bear Mail (www.bellsmill.org to sign up) and inform them of school events at the beginning of the year (until the family is "in the swing of things")
